Open Wide
Tina Dickow / nib 2011

D     A
Come and take my hand
A
It's been so long
Em
Since tender words last fell
D     A
From our short tongues
C#m  Tell me, tell me now
Em     D
Where we go wrong

A                             G
Tell me there's a way if we
F#m      E      E
press on

E     Hm
And keep our arms open wide
D     A
Don't say no to anyone
E     Hm
But keep your heart safe inside
D     F#m
Don't let go to anyone
D                             F#m
And keep your child safe from harm
E      D
Safe and warm in your hand
D
And raise above the trials of
Hm     A
love of love

D
Come and hold my hand
F#m7?
You look confused
Em
You give your best
D     A
And end up feeling used
C#m      Em     D
Tell me why you struggle like you do
A      G
To draw the line between the world
F#m      E      E
and you

E     Hm
We'll keep our arms open wide
D     A
Don't say no to anyone
E     Hm
But keep our hearts safe inside
D     A
Don't let go to anyone
E     Hm
Yeah, keep our arms open wide
D     A
Don't say no to anyone
E     Hm
But keep our blood safe inside
D     A
Not on show for anyone
D
And raise above the chaos of
Hm     A
love of love

D
Come and take my hand
